

PAPERCHAINS OF KINDNESS

Fill out each paperchain with a drawing or some writing on the themes below. Then cut out your chains (or ask a grown up to cut them out), make them into loops and join them onto the loops made by your classmates to make a chain of kindness.

Write or draw about a time when someone was kind to YOU.

Write or draw how it FEELS when someone is kind to YOU.

Write or draw something kind you will do for SOMEONE ELSE.
